DEWAN OF MYSORE

D.O. No. P. 403.

BALLABROOIE,
HIGH GROUND,
BANGALORE.

9th April 1924.

My dear Sir,

I beg to report for the information of His Highness that, as permitted in the course of my interview with His Highness in Mysore the other day, I am leaving this for Ooty for a few weeks this afternoon. The Council work is quite up-to-date and all - important matters and questions have been fully dealt with. There is very heavy work in front in connection with the meetings of the Representative Assembly and the Legislative Council and the Budget Policy of next year. These, as well as the Subsidy letter which is rather urgent, will be worked up by me at Ooty, besides looking to the current work which will come there as usual every day.

Yours sincerely,

Amin-ul-Mulk,

Mirza M Ismail, O.B.E.,
Private Secy. to His Highness
the Maharaja of Mysore.

EWU.
